

Application No. 10/567,502

October 21, 2008

Reply to the Office Action dated April 2, 2008 and

the Notice of Non-Compliant Amendment dated October 21, 2008

Page 2 of 12

**AMENDMENTS TO THE SPECIFICATION:**

Please REPLACE the legend for Table 4 on page 32 immediately before paragraph no. [0080] of the Substitute Specification with the following amended legend:

Legends: in accumulated phase,  $\ominus\text{x}$  means that no accumulated phase was identified,  $\times\text{o}$  means that an accumulated phase was identified, and \* means that accumulated phases of B and Zr coexisted; in size (particle size),  $\circ$  means that no abnormal grain growth occurred and  $\times$  means that abnormal grain growth occurred.
